

ENVIRONMENTAL POLICY

**OF THE PCC GROUP COMPANIES: PCC ROKITA SA, PCC EXOL SA,
PCC MCAA SP. Z O.O., PCC CONSUMER PRODUCTS KOSMET SP. Z O.O.,
LABANALITYKA SP. Z O.O., PCC PU SP. Z O.O.**

The Companies of the PCC Group, covered by the Integrated Management System, having a direct impact on the environment through their activities, undertake to prevent and minimize pollutions, as well as to make available information and resources necessary to achieve their objectives and perform their tasks, and to comply with relevant legal regulations and other environmental regulations applicable to their operations.

“While conducting our business in accordance with the regulations that apply to us we are focus on continuous improvement of the Environmental Management System”.

We declare constant improvement of our activity results and taking appropriate actions in the areas of:

- the quality and quantity of the waste water generated
- the consumption of industrial water
- the emission of pollutants into the air
- the generation of waste
- improving the performance of the environmental management system within the framework of sustainable development initiatives

The Group of PCC Companies takes an active part in the pursuit of above strategic objectives.

The Management Board of the Company hereby transfers this policy to all employees and other persons working for the Company for the purpose of its implementation.
